

# Bull Fertility Testing

## Overview

This service provides bull fertility testing for farmers upon their request.

## Who is eligible?

Citizen farmers

## How do I get this service?

- A request should be made by the farmer for the Animal Production Officer to visit the farm to conduct the test.
- After testing the bulls, each bull is issued with a certificate with its status.
- The fee per bull is paid after the test is completed at the nearest Animal Production Office.

## What supporting documents are required?

- A valid National Identity Card (O mang).
- A Brand Certificate (shows ownership).
- A Pedigree Certificate (for commercial farmers).

## How long will this service take?

30 minutes per bull.

## How much does it cost?

The cost of the test per bull is BWP 175.00.
