

Sale of Photographs

Overview

This service is for companies, government departments and individuals who wish to buy photographs.

How do I get this service?

- Write a letter to the Director, copy to the Head of Photography, then specify which photographs you would want to buy and what you intend to use them for.
- Upon collection you need to bring your own storage device, in a form of a memory stick, CD, DVD or hard drive, since only soft copies are sold.

What supporting documents are required?

Detailed official letter of request.

How long will this service take?

For readily available digital photographs, service could be rendered within two (2) days, whereas for un-digitised archival film negatives it would take about a week or more.

How much does it cost?

BWP400.00 per photograph (Cash, Point of Sale, cheque or Adjustment voucher).
