

Pest Control Services

Overview

This service is intended for individuals experiencing pest infestation problems in their area of residence or work. These individuals should seek assistance from their local authority (i.e. Council).

Who is eligible?

Any individual (citizens and non-citizens) experiencing pest control challenges.

How do I get this service?

- Complete and submit the Pest Attendance Form to the nearest local authorities office ([Local Authorities Contacts_3](#)) or visit the nearest office to complete the form.
- Facilitate the visit of the pest controllers to execute the spraying of the premises.

What supporting documents are required?

No supporting documents required.

How long will this service take?

- Two (2) working days in urban areas and
- Seven (7) working days in rural areas.

How much does it cost?

Fees vary by local authority. Prices are available at Botswana urban and district council offices.

Where can I obtain this service?

From Urban and District Council Offices.

Where can I get more information on this Service

Contact any of the Botswana urban and district council offices.

Opening hours: 7:30 to 16:30, Monday to Friday, except public holidays.
