

Poultry Abattoir Support Application

Overview

This service assists farmers with the building of abattoirs for safe and hygienic processing of poultry. This is a package under the Livestock Management and Infrastructure Development (LIMID) Programme which is a government programme aimed at improving livestock management. The beneficiary is expected to have completed a project within two (2) years after approval.

Who is eligible?

- Citizens eighteen (18) years and above.
- Small scale poultry (broiler) producers.
- A cooperative which comprises a minimum of fifteen (15) members

How do I get this service?

- Fill and Submit **LIMID 6 – Poultry Abattoir Application Form** with the relevant supporting documents.
- After registration, an animal production officer will contact the applicant in writing with details related to the status of his application.

What supporting documents are required?

- Certified copy of valid National Identity Card (Oman).
- Certified copy of Landboard certificate.
- A copy of an approved constitution.
- A copy of the business plan.
- Quotations for the items required.

How long will this service take?

One (1) month if all required documents are submitted.

How much does it cost?

No cost.
