

Registration for Artificial Insemination Training

Overview

This service allows farmers to register for free training on Artificial Insemination (AI). It also includes registration for training for private farmers for the on-farm AI programme.

Who is eligible?

Farmers who practice Artificial Insemination and Inseminators who would like to be trained should have the following:

- A valid National Identity Card (Oman).
- A Junior Certificate.
- Knowledge about livestock production.

How do I get this service?

- Visit the closest **District Animal Production Offices** and register for the training with the relevant supporting documents.
- The Animal Production Officer will inform the applicant about the start of training and other details.

What supporting documents are required?

- Certified copy of valid National Identity Card (Oman).
- Certified copy of Junior Certificate.

How long will this service take?

Immediate.

How much does it cost?

No cost.
