

Meteorological Educational Tours

Overview

Educational tours exist to teach the public about products and services offered by the Department of Meteorological Services. Participants get to tour the Department, see and learn about the meteorological instruments that are used in Botswana including the forecasting studio. An educational tour takes approximately 1 hour 30 minutes.

Who is eligible?

Citizens and non-citizens.

How do I get this service?

Write a letter to the Director of the Department requesting for a scheduled tour.

What supporting documents are required?

No additional documents are required.

How long will this service take?

Five (5) working days.

How much does it cost?

No cost.
